We would like to provide you with an opportunity to continue your giving to the work of the church through E-Give.

If you already give by this means we thank you. If because of the current circumstances, you need to alter in any way the amount you give to the church please just let us know.

The following is a link where you can obtain a form to begin this process.

Contact Dianne Peberdy with any questions.

Important COVID-19 Updates

- From next Sunday (1st November) and while there remains no evidence of community transmission of COVID-19 in SA, singing will be allowed in the church without the need to wear a mask. **However** if you feel safer wearing a mask to church please do so.
- COVID Marshals are on duty to encourage appropriate social distancing. They will also direct people to exit the building safely.
- A record of your attendance at church is necessary under our COVID-Safe Plan to enable contact tracing should it be required. Please ensure your name is ticked off (or recorded) as you enter the building each Sunday.

Church Council are beginning the budget process for 2021.

Please let Heather Williams know (by 10th November) of any extraordinary items you would like considered.

HELP NEEDED

We are needing some volunteers to help with counting the Offering. To do this you would need to get a "probity check". Please contact Ian Siegele or the Church Office for details.

Refreshments after Church

With the restrictions surrounding eating and drinking under our COVID-Safe Plan it has been difficult to offer our normal level of hospitality after church in our building.

However there are a lot of other places to go for a coffee with friends after church. It is an opportunity to provide custom to local cafes at this time.

Quite a number of people take advantage of the cafe at Living Choice on Fisher Street and you are always welcome to go along.

Please don't let the restrictions on use of our church building stop you from gathering (at a safe distance) elsewhere for a coffee and chat on a Sunday.

CHURCH LIBRARY NEWS

The Small group and Bible Study Resources collection is ready for borrowing!

The collection includes single and multiple copies and some DVDs. Resources are shelved in alphabetical order according to their author—so for example, all the studies by Adam Hamilton are shelved together at HAM. The collection is stored in one of the cupboards in the office area, so it is only accessible during office hours. Lorraine will show you where the collection is stored. You can browse the collection at <https://rosefielduc.libib.com/>. If you can't get there during office hours, please contact me or Lorraine, and we will put you book/s aside to collect.

There are participant guides, leader guides and DVDs available for "Down to Earth"

Retrace the life of Moses from his modest birth and rescue as a baby to the courts of Pharaoh, from herding flocks in Midian to leading his people out of Egypt. Join Adam Hamilton as he travels from Egypt to Mt. Sinai, the Nile, the Red Sea and the wilderness exploring the sites of Moses' life. Using historical information, archaeological data, and biblical text, Hamilton guides us in the footsteps of this reluctant prophet who grew in his relationship with God and by the end of his life had successfully fulfilled the role he was given.

This is just one of the titles. You can browse the collection at <https://rosefielduc.libib.com/>. If you can't get there during office hours, please contact Wendy or Lorraine, and we will put your book/s aside to collect.
