G'day Folks,

I hope you are all managing to keep warm and dry. I went for a lovely walk in the city last weekend and thoroughly enjoyed the long hanging fog. It was like walking in an Agatha Christie novel - thankfully a lot less mystery, more beautiful scenes of the fog on the Torrens.

I am enjoying getting to know this community. This week I poked my head in at the community shed. What a fantastic place! Within minutes of being in the shed, I was aware of the warmth of love between people - many of whom don't attend our worship services. I watched a few interactions between community shed members, which were filled with such obvious care for one another. Later on that day, I attended the Pastoral Partners talk with Wendy Perkins. This was an excellent evening, reminding us of the importance of Pastoral Care and emphatic listening. The comment was made that the skills learnt are transferable in our community, not just in disaster chaplaincy.

I reflected later that as a congregation, we engage in so much pastoral care, for ourselves and in our wider community. This is a hallmark of a healthy church - that care for one another and the community. Well done!

Blessings,
Richard

WIDER COMMUNITY

Pilgrim UCA Circle of Friends

The Pilgrim based Circle of Friends 27 catered a memorial service held at our church this past week. The Circle of Friends is one of over sixty groups established to provide a variety of support for refugees and asylum seekers, both in the community and/or in detention and operates in association with the Australian Refugee Association (ARA) and Amnesty International.

Members of Circle 27 come mainly from the Pilgrim congregation; however, membership is open to anyone who seeks to support refugees in the community and in detention.

Anyone who feels that refugees and asylum seekers ought to be treated with human dignity and who genuinely wants to help may become a member or come along to the Adelaide Eight Years of Harm event.

Sunday 18th July at 2pm.

We will meet at Tarntanyangga / Victoria Sq for a walk to the Vietnamese Boat People Monument, with speakers, including those detained, at the walk finish. We will call for an end to indefinite detention, and for all those who were taken offshore and are still being 'processed', to be given the freedom to settle in Australia or New Zealand.

For more information speak to Richard or Lorraine.
